

OUR CABO FLEET

Sunrider

Sun Rider is the perfect boat for small groups. It has a **50 person capacity**, with swim platform, ladder and fresh water shower to rinse off after your salt water snorkel. For your entertainment pleasure the Sunrider is equipped with a sound system compatible with iPod, CD's and MP3. It is comfortable and secure, offering a hot/cold table as well as a barbecue grill serving authentic Mexican buffet style meals.

Sun Rider 100

Sun Rider 100 is the first boat built in Mexico, integrating green technology in the manufacturing process. It accommodates large groups, comfortable and secure, with a double buffet table and double barbecue grill arrangement, guests are treated to an authentic Mexican buffet style meal. It has a **250 person capacity** in comfort and offers a sound system and photographers station. Below deck is the entrance to ladies and gents restrooms. Companionways on either side allow access to the bow, a large open area, over 100 sq. meters, where the wildlife viewing, dancing and shows are performed.
