

OUR LA PAZ FLEET

Funrider

Our 38' catamarans are built with the latest green technology; fast, secure and stable boats, multipurpose and ideal for day trips. Each catamaran comes complete with restroom, fresh water shower, comfortable seating, lots of room and sound system. Comfort and safety is paramount, with an **18 person capacity**. A shallow draft allows to get close up on the beach with easy access to and from the sea. Snacks and beverages are served on all tours and on tours of 4 hours or more a boxed lunch is provided.
